He further, emphasis to the Members of Ward Development Committee he has hope that during the process of choosing the projects the community members will be involved and following Zimba Intergraded Development Plan

The meeting was called to order at 09:30 hours.

Main Business

The meeting was informed that the main reason why it was called is that the projects have to be submitted to the Council for the year 2024 from each ward.

Matters of Similar Interest

However, the Ward Development Committee Chairperson for Mafumfu ward wanted to know how many projects to be submitted in a year per zone.

Closing Remarks

In closing remarks, the Council Secretary, thanked the Ward Development Committees for their commitment towards development. He said, its only through such commitments brings development in our communities.

Closing prayer

The meeting was closed at exactly 13:00 hours and a closing prayer was offered by Bornwel Simeja
